EARLY VOTING begins, OCTOBER 19th. Are you ready?

Hello, Precinct 58! Early Voting kicks off **Monday, October 19th**, for the November 3rd General Election! I'll be out on my little bike again, reminding folks that *yes...it's that time!* **Voters are fired up and ready to fight** - especially with the misguided ideologies of socialism and communism spreading among the youth, and with the muslim culture spreading across the US. Older voters are scared and fear that we could lose Texas while younger voters are fired up to go and vote - but not necessarily to keep Texas RED.

We MUST show up and vote if we want to keep our state and our county prosperous, safe, conservative, and fiscally responsible, with minimal government control. Dearborn, Michigan and Plano, TX are already feeling and hearing what it's like to live in Muslim run countries with daily calls to prayer to a God they do not worship. It is a wake up call to us all. Be informed, be involved, be active, and VOTE! Vote not only for our county, state, and country but vote for your quality of life, for your freedoms, and most especially for a future built with true Texas pride - for generations to come. Texas must not turn BLUE.

BE INFORMED. GET INVOLVED. MAKE A DIFFERENCE.
The most powerful thing you can do is:

- **Be informed!** Research candidates, meet them, ask questions, make your own decisions, and vote. Encourage friends and family to do the same!
- **Don't sit on the sidelines.** Get involved by attending meet-and-greets, information sessions, and volunteering at your precinct. Consider becoming a paid election clerk or judge! Training is provided, and it's a great way to meet people and learn how elections work behind the scenes. Sign up to hand out voter guides in the parking lots of polling locations. Most people come to vote without knowing who or what is on the ballot. Be a friend with a trusted source.
- **Get the next generation involved!** Make sure your children and grandchildren are registered, know where to find reliable candidate information, and understand how to vote. First-time voting can feel intimidating, so help them feel prepared and confident!

BE PREPARED BEFORE YOU VOTE!

- **KNOW YOUR CANDIDATES!** Texas no longer offers straight-ticket voting. You must select candidates individually, and some local races, including school board elections, are "nonpartisan." They will NOT have an R, D, or I next to their names. Do your homework ahead of time so you know each candidate's positions, priorities, and values. Don't guess—BE INFORMED!
- **BRING A PRINTED VOTER GUIDE!** You cannot use your phone while voting, so print your voter guide and bring it with you to help remember your choices. The GOP encourages Republicans to **VOTE DOWN BALLOT!** Every race matters. Don't overlook judicial races—judges make decisions affecting our constitutional rights, public safety, property rights, and the rule of law. Not all voter guides are truly Republican. Know with confidence. Visit: **ww.mctxgop.org**
- **CHECK YOUR PRECINCT, VOTING HOURS, AND BRING YOUR PHOTO ID!** Make a plan, be prepared, and make your vote count!

SCAN HERE

I recently learned they are endorsed by the Democrat Party of Montgomery County. This is a HUGE red flag for me and children in CISD. You can **scan the QR code provided to see where they were endorsed**. This is not hearsay. Montgomery County has had enough of Democrat woke ideology interfering with teachers and students in CISD. The last thing we need is a Trustee fighting for their influence in our schools.

The OFFICIAL MoCo GOP, TX Patriots PAC, MCTeaparty, True Texas Project, and myself have chosen to support :
Aggie Gambino, Rod Hammer, and Misty Odenweller.
The three we have chosen are all outspoken advocates for families and children in CISD, have financial backgrounds, are SPED advocates, and at least two have the legislative experience needed to fight for bills that support our CISD families in Austin.

While they have the support of the Republican Party, this vote is not political - it's personal. We are Republicans supporting good, Christian, and qualified individuals who just happen to be strong, conservative Republicans and have the track record to prove it.

THE WOODLANDS TOWNSHIP, POSITION 3
Priscila Young, Nick Tran, Lisa Gilmore

NOTE: Township Positions 1, 2, and 4 are unopposed.

Position 3 candidates: *Visit my website for interviews with all three candidates.*

Why Nick? Nick Tran has been endorsed by the TX Patriots PAC, MCTeaParty, True Texas Project, a majority of Woodlands Precinct Chairs, and myself. He is a constitutional conservative with a strong background in business from Harvard, a former Cameron and SLB employee, a veteran advocate in Austin, and served 13 yrs in the U.S. Army, including tours in Desert Storm, Afghanistan, & Iraq.
He is already showing his commitment to residents by meeting with them individually. I believe he will be a REAL VOICE FOR THE RESIDENTS. Learn more about Nick at: www.nicktrancampaign.com
