EARLY VOTING BEGINS, FEBRUARY 17. ARE YOU READY?

Hello, Precinct 58! Early Voting kicks off **Tuesday, February 17**, and this primary season is already on **fire!** PACs, clubs, and well-funded insiders are spending big to sway races across Montgomery County - so be informed and vote accordingly. I'll be out on my little bike again, reminding folks that *yes...it's that time!* While primaries usually see low turnout, this year **voters are fired up and ready for accountability** - especially when it comes to incumbents who have drifted from Republican priorities.

There's a lot of commotion as various Republican factions compete to identify the "reddest" candidate. I won't contribute to the confusion. Instead, I've refreshed my website to present only the facts—candidate lists, official websites, and resources that will assist you in making an informed choice without any bias. Ultimately, this is about YOU: selecting the individual who best embodies your values, **upholds our Republican platform**, and has a strong chance of winning in November. Let's make our voices heard, vote wisely, and prioritize what's best for our county, state, and nation.

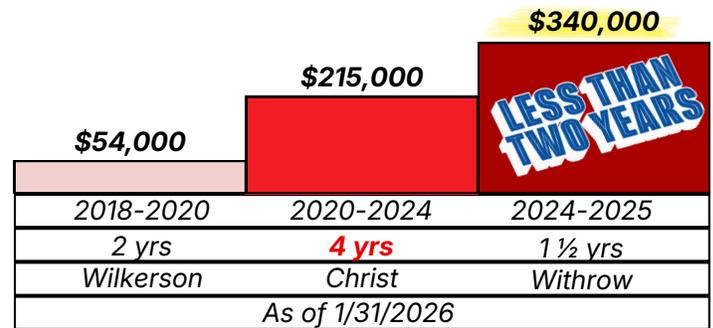

As your Precinct Chair, I believe it is important to keep you informed through a State of the Precinct update. I want to assure you that the Montgomery County Republican Party is actively and thoughtfully preparing for the critical fight ahead in November. While social media may reflect spirited debate among Republicans during this primary season, I am confident that once March 3 has passed, we will come together—focused, united, and determined—to advance our shared mission: keeping Montgomery County red.

One new development to share is an invitation to this year's Precinct Convention - on **SATURDAY** instead of the same day in the evening! If you were among the dedicated few who returned to Lone Star that evening, you helped elect a chair and secretary, nominate and choose delegates and alternates to represent our precinct at the county convention, and consider resolutions that may help shape our party's platform. I promise to keep the meeting as brief and efficient as possible. Please see the reverse side for full details. Bring your neighbors in Precinct 58 and spread the word!

HOW IS THE REPUBLICAN PARTY REALLY DOING?

Under Gwen Withrow's leadership, she has managed to rally the troops and fundraise almost 6x more money than any other chairman in 2 YEARS! Great leadership to help Republican candidates defeat Democrats in the November 2026 elections.
